# Mernickle Range Waiver

## Statement of Risk; Acceptance of Liability; Waiver of Right of action for Mernickle Range

The following is set forth by Mernickle Custom Holsters, in order that the participants in Cowboy Action shooting, occurring on the aforementioned ranch, are informed of the risks inherent in the sport and the safety responsibilities they must assume.

The safety rules set forth in the SASS Shooters Handbook, all of which apply to matches conducted on the Mernickle Range, must be strictly adhered to. The match officials cannot be everywhere at any one time, nor can they see every angle from the position that they occupy at any single point in time. We must, therefore, rely on the match participants to assist us.

Each competitor is required to familiarize him/herself with potentially dangerous situations and agrees to take personal responsibility for taking whatever actions are prudent and necessary to prevent these situations from becoming a threat to the safety of all participants and/or spectators. It is each participant's responsibility to adhere to and inform his/her guests of the safety rules set forth below:

### **THIS SPORT HAS THE POTENTIAL TO BE LIFE ENDANGERING.**

#### **THE FOLLOWING ARE CONSIDERED TO BE SERIOUS SAFETY SITUATIONS AND MAY BE GROUNDS FOR DISQUALIFICATION AND/OR ELIMINATION FROM THE COMPETITION.**

1. Pointing a firearm in any direction other than down-range, whether loaded or not.
2. Dropping a firearm, whether loaded or not.
3. Possessing a loaded firearm other than on the firing line or in the designated loading zone, under the supervision of a range officer.
4. Positioning oneself in such a way that one may be "swept" by the muzzle of a competitor's firearm.
5. Putting ones finger in the trigger guard during the draw prior to the firearm becoming level with the ground and pointed down-range, or prior to the shooter being balanced and prepared to fire.
6. Using a holster which does not hold the firearm securely, or holster which carries the firearm in a dangerous manner.
7. "Quick Draw", fanning a revolver, or any other stunts with loaded firearms.
8. Improperly loaded ammunition.
9. Being present in the firing line area without proper hearing and eye protection in place. This includes infants and children.
10. Consumption by a competitor of any substance which may impair physical or mental capacity (i.e. alcohol, certain prescription and/or non-prescription drugs and/or medications, illegal drugs, etc.) prior to shooting.
11. Consumption or possession of any alcoholic beverage by any person (competitor or spectator) in the range area.

**NOTE:** The above list should **NOT** be considered all-inclusive.

By signing this document, I agree: 1) to assume personal responsibility as described herein; 2) to personally assume the risks involved; 3) to waive the rights of action against the Mernickle Custom Holsters; and 4) I certify that I have received, read and understood the safety guidelines set forth by Mernickle Range and I agree to conduct myself accordingly.
